Disclaimer: *When using FixArt Tube on the ceiling, it is obligatory to use the FixArt Lock security device. This system guarantees a safe and precise installation. Artnovion is not liable for any damage caused by improper use of FixArt Tube.*

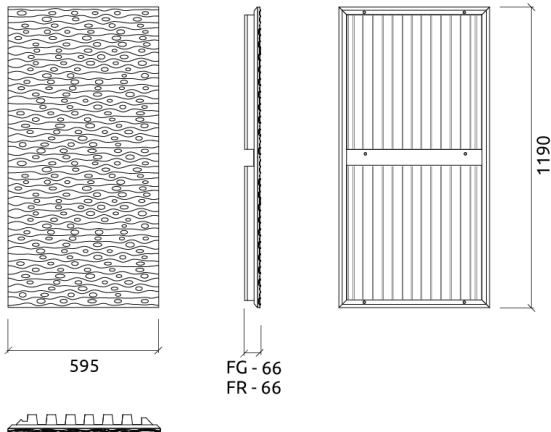

Description

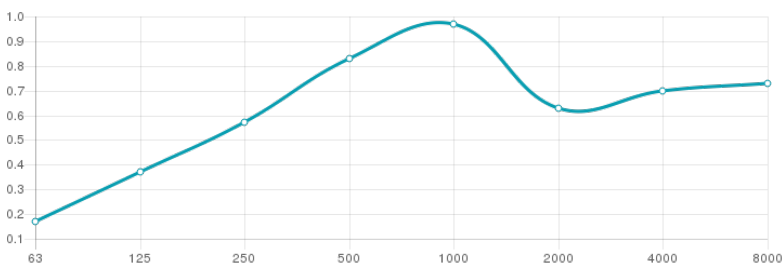

Sahara panels are the forerunners of the next generation of acoustic panels. Completely adaptable. Completely customizable. Unique for each environment. A good acoustic treatment lies in the correct ratio between absorption and diffusion. Sahara can regulate both, without changing its seamless organic pattern, allowing you to fully embrace the architectural style of your space without worrying about different panel placement.
