

# NPX TT

## Product sheet

NPX TT is the dedicated power supply for NVC TT, making it compatible with all other Hi-Fi system products. NPX TT connects to a number of separate elements, including existing Naim products such as NAC-N 272, enabling them to reach their full potential. Paired with the NVC TT, it provides even cleaner power to enhance the sound.

### Key points

- Instant power supply improvement for preamplifiers.
- Provides a superior power supply.
- High quality manufacturing.
- 0.5W standby power

Using two internal power supplies; one is a high quality audiophile linear type, based on a large toroidal transformer. The other is a highly efficient SMPSU for 0.5W power consumption in standby during standby mode.

- Makes the NVC TT compatible with preamplifiers that cannot feed the NVC TT via Type 1 cable.

### Specifications

Type	Power Supply (for NVC TT)
Power supply output	Type 1, Type 2
USB	Micro USB socket (for updates)
Naim Logo	White illuminated
Logo brightness	High, medium, low
Standby power consumption	<0.5W
Mains supply	110 to 120V, 220 to 240Vac
Dimensions (HxWxD)	2 <sup>3</sup> / <sub>4</sub> x8 <sup>3</sup> / <sub>8</sub> x13" (7x21.4x33cm)
Weight	12.35lb (5.6kg)
