

# THE SLIM SUBWOOFER

## SLIM & MODERN

The Slim Subwoofer measures a fashionably slim - only 3 9/16" in depth - specially developed to provide resounding bass through a modern & compact design, - it provides an invisibly stylish bass with several flexible mounting options.

Available in both black or white colors, it arrives ready to seamlessly match the visual symmetry of any interior space.

## PRODUCT ID

SUBS10

## WALL MOUNT

The choice is yours - Hang it on a wall using the rack mount, or use the included rubber feet to slide it horizontally right under the couch, or even hide it vertically into a clean corner nook.

## FLOOR STANDING

Decide between directing the bass right into the walls, or pump the bass into the floor. Or, you can simply point the woofer inwards towards the listener from any mounting style.

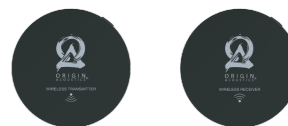

10" WOVEN GLASS FIBER WOOFER
